He studied law, economics, finance, and international history and politics at the NKUA and the Universities of Zürich, Pennsylvania (Wharton Business School) and Geneva (Graduate Institute of International Studies), where he obtained his PhD in international banking regulation.

Christiane Hölz

Chair of Legal Committee, BETTER FINANCE

Christiane Hölz is the Managing Director of Deutsche Schutzvereinigung für Wertpapierbesitz e.V. (DSW), the leading German investor association, with more than 30,000 individual investors as members. DSW is a BETTER FINANCE member organisation. She is also Chair of Legal Committee at BETTER FINANCE. She has extensive international experience in securities law, sustainability and corporate governance. She is currently Vice Chair of ESMA's Securities and Markets Stakeholder Group (SMSG). She is a member of EFRAG's Sustainability Reporting Expert Working Group on Governance. She is also a board and audit committee member of two listed German companies. Christiane is an attorney who studied in Germany and France.

Prof. Dr. Christoph Kreiterling

Professor, Trier University of Applied Sciences; former Senior Adviser and MiCA team co-lead at BaFin

Christoph Kreiterling is Professor of Technology Impact Assessment and Sustainability Communication at Trier University of Applied Sciences. Before joining academia in 2025, he served as a Senior Adviser at BaFin, where he co-led the MiCA team and the Crypto-Assets Working Group. His research focuses on trusted digital finance, in particular the interaction of regulation, market design, behavioural evidence and data-driven supervision.

William Marshall

Policy Officer in the Market and Digital Innovation, ESMA

William Marshall is a Policy Officer in the Market and Digital Innovation department at the European Securities and Markets Authority (ESMA). He focuses on implementing the EU's digital finance framework, including crypto-asset regulations (MiCA), tokenised financial instruments under the DLT Pilot Regime, and operational resilience (DORA). Previously, William worked in ESMA's Risk and Economic Analysis department, where he specialized in FinTech and artificial intelligence. He holds a master's degree in economics from the Johns Hopkins School of Advanced International Studies (SAIS).

Martin Molko

Senior Research & Policy Officer, BETTER FINANCE

Martin Molko serves as Research and Policy Officer at BETTER FINANCE, where he monitors policy developments and supports outreach efforts. His recent work focuses on self-directed investments in securities and direct shareholding, encompassing Digital Finance trends related to FinTech, data access, and AI. He is currently part of the EC Expert Group on European Financial Data Space. His prior roles at a European news agency, along with various consulting, project management, and editorial positions in Belgium, France, and Germany, have shaped his policy analysis and insights into finance from a retail perspective. Martin earned a Bachelor's Degree in Information and Communication from the University of Nice and a Master's Degree in European Studies from the Free University of Brussels (ULB).
